the new **NANOSPEED** **i**

for even greater impact speed

Introducing the Yonex Nanospeed i driver, engineered for lightning quick impact speeds and explosive distance. The Aero Pentagon head shape provides an increased MOI for added forgiveness and stability. Dual Nanoscience technology in the head and shaft increase club head speed to help golfers of all levels drive the ball further and straighter.

Try the Nanospeed i driver and make an impact on your game.
For a dealer in your area, please call 1-800-44-YONEX or visit www.yonexusa.com

The Nanospeed i driver.
Winner of the Golf Europe
Product Awards 2007

Far beyond ordinary clubs.
