**YONEX INTRODUCES THE NEW CYBERSTAR 03 FORGED WEDGE**

Torrance, CA – January 25, 2005: The Yonex Corporation announces the introduction of the new **Cyberstar 03 Forged Wedge**. The **Cyberstar 03 Forged Wedge** is available in two models – the Approach Wedge (51° loft) and the Sand Wedge (56° loft), with a retail price of \$125.00.

The **Cyberstar 03 Forged Wedge** is manufactured of forged carbon steel. Forged carbon steel provides the unique solid feel preferred by Tour caliber and advanced golfers. At the same time, the **Cyberstar 03 Forged Wedge** provides a solid feel at impact.

The **Cyberstar 03 Forged Wedge** features a “Raw Finish” Clubface which provides an enhanced softer feel for “Pin Point” accuracy, controllable trajectory and versatile shot-making.

The **Cyberstar 03 Forged Wedge** comes equipped with a True Temper Dynamic Gold S300 Steel shaft – the preferred choice of Tour Players from around the world!
